Enhancing Public Transit
Donlands Subway Station – Second Exit

Notice of Cancellation of Public Meeting

Date: Thursday, March 3, 2011
Location: Danforth Collegiate and Technical School
800 Greenwood Ave.

Please be advised that the TTC public meeting scheduled for this Thursday, March 3 at Danforth Collegiate and Technical School to update residents about the second exit at Donlands Subway Station has been cancelled.

At City Council on February 23, Councillors deferred funding for the construction of this project until the TTC is able to secure the necessary monies in its capital budget for the second exit at Donlands Station. The TTC has also deferred second exit construction funding at Wellesley, Woodbine and Greenwood stations until its capital budget is funded accordingly.

TTC staff has met with the Construction Liaison Committee and have brought them up to date on the status of the project so far. Once the TTC capital budget has sufficient funding in place, a public meeting will be convened with the community about this project.

We apologize for any inconvenience this may cause.
